

CONOVER NEIGHBOR

OCTOBER 2021

Fire Prevention Week

October 3-9, 2021

The Conover Fire Department is teaming up with the National Fire Protection Association® (NFPA®)—the official sponsor of Fire Prevention Week for more than 90 years—to promote this year's Fire Prevention Week™ campaign, "Learn the Sounds of Fire Safety™." This year's campaign, October 3-9th, works to educate everyone about simple but important actions they can take to keep themselves and those around them safe.

"What do the sounds mean? Is there a beep or a chirp coming out of your smoke or carbon monoxide alarm? Knowing the difference can save you, your home, and your family," said Lorraine Carli, Vice-President of outreach and advocacy at NFPA.

The Conover Fire Department encourages all residents to embrace the 2021 Fire Prevention Week theme.

Code Enforcement

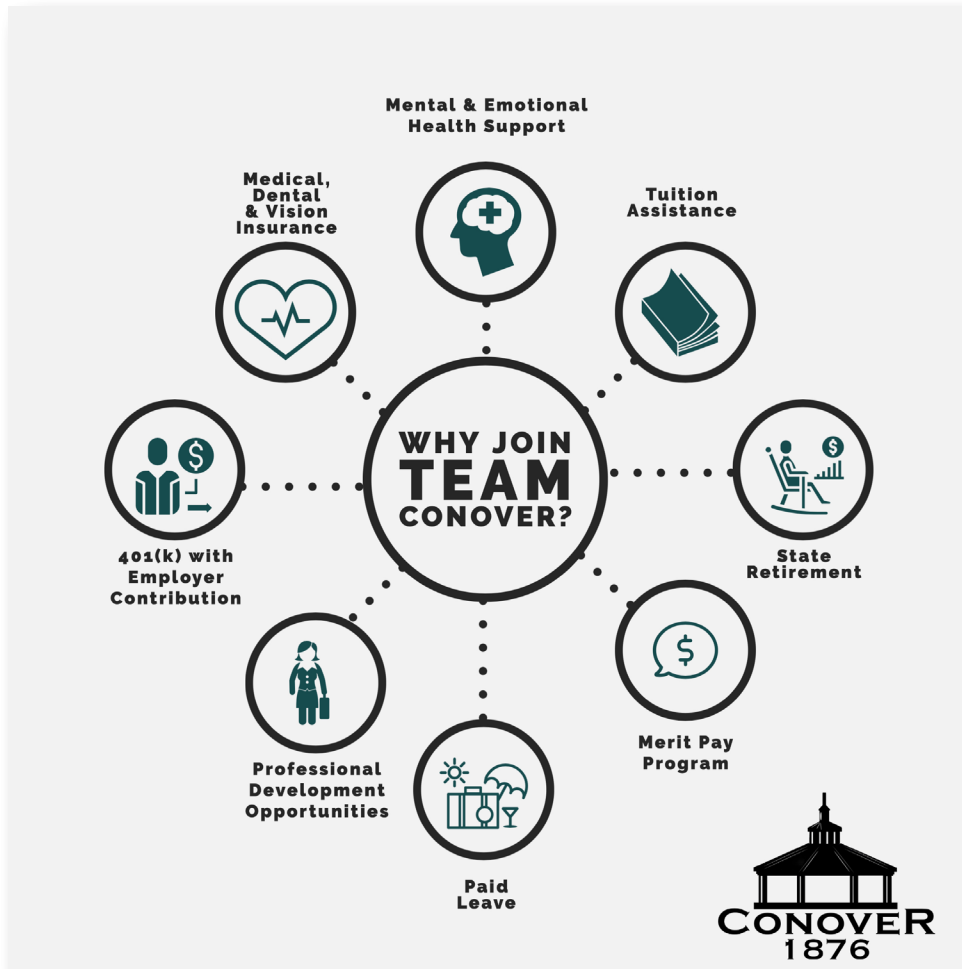

As summer transitions to autumn, the leaves begin to change colors and eventually begin to fall. This season change creates an increase in lawn maintenance duty of the lawn mower, leaf rake and blower. During this time, the City of Conover works hard to remove all the leaves, grass clippings, tree limbs placed out for collection along the roadway edge.

If you are raking or blowing your leaves, grass clippings or placing discarded limbs out for city pick-up, make sure these items stay out of the roadway. This will keep the roadway passage clear and prevent any tight spaces for passing vehicles. A roadway that is bottlenecked with leaves can increase the chance of accidents for vehicles, pedestrians and even children at play.

If you see any potential violation to city ordinances, it can be reported to the code enforcement officer at 828-464-4698 or via email at codeofficer@conoverncc.gov.

Code Enforcement - Signage

With the exception of the time around elections, Conover does not allow any signage to be placed within the public right-of-way that is not traffic related. The Planning Department and Code Enforcement are proud to continue to remove these signs to help keep roadways cleaner and safer for Conover residents and its visitors.

If you wish to place a sign anywhere in the city limits, please call the Planning Department at 828-464-1191 or Code Enforcement at 828-464-4698 to ensure your sign meets the zoning code.

Planning Ahead:
